Nestled in country woodlands right next to the great Smoky Mountains National Park, our rustic log chapel provides a wonderfully intimate indoor wedding. Chapel in the Glen provides the perfect atmosphere – the perfect

setting – the perfect wedding! After all, this is one of the most important days of your lives. And we'd like to help you make the memory even more pleasant – a day you'll treasure for a lifetime.

How about an outdoor wedding? Among the trees — maybe the gazebo, or the reflecting pond and waterfall, or the garden — think of the possibilities! We provide dressing rooms for the bride and groom.

We offer several standard wedding packages to choose from, or you may combine any of them to better suit your needs and make your wedding unforgettable – packages with intimate candlelight, music, wedding cakes, limousine service, and stunning floral arrangements. And to preserve those

special moments, professional photography and videography are available. We even have package deals for your honeymoon! Just let us know what you'd like for your special day.
